Evaluation Procedures

1. Upon your arrival, Please enter the department through the Physical Therapy at St. Luke's entrance. Please check in at the front desk, booth 5 or 6.
 - a. Insurance cards and/or HMO referral from your primary care physician (if required by your insurance company)
 - b. Driver's license or other photo ID.
2. The evaluation will last approximately 1 hour.
3. Due to the nature of the evaluation, it is advisable to keep other children at home.
4. If your child is not feeling well (i.e., has an ear infection, respiratory infection, etc.) it would be best to reschedule your appointment, as the child may not participate fully in the evaluation process. You can contact the department at 484-526-6578 to reschedule.
5. If a hearing screening or evaluation has also been scheduled, please note that there is a separate charge for these procedures. If you have any questions regarding that service, please contact the Audiology Department at 484-526-3201.

Again, thank you for choosing the Pediatric Rehabilitation Department at St. Luke's North.
